For many who have been hurt by abortion, they want to do more! They want to spare other women the tragic pain. You too can be a part of that! Simply fill out a Declaration form for Operation Outcry and see how the power of testimony can make a difference. Your identity can be kept confidential by checking off to use your initials or first name only. Your contact information is always kept confidential. You do not have to speak out publicly as many of the women of Operation Outcry do, but your testimony can help save women and babies from the tragedy of abortion. You can get the forms on our website or fill it out online at www.operationoutcry.org.

The Declaration is a legally admissible form that will be filed in court cases and in legislative hearings to ban or limit abortion. Together we can end the pain of abortion. Please prayerfully consider sharing your testimony. (See instructions on the reverse.)
